

**PANDEMIC STYLE  
CONFIRMATION  
@ ZUMBRO**

**WINTER -SPRING  
2021 WEDNESDAYS  
7-8 PM**

**JAN. -MAY. 2021**

**2021 REALITIES**

**OUR BUILDING IS STILL UNDER CONSTRUCTION AND WE'RE IN A PANDEMIC BUT THERE IS LIGHT**

Zumbro's building is not yet safe for inside use. Safety is our TOP priority pandemic or not. Normal in person class can't work for the whole spring.

**ZOOM AND SCREEN FATIGUE**

Our kids (and adults) will be spending a lot of time on screens for work and school this winter and spring It's exhausting and not always best for our mental or spiritual wellness. we will do what we can to minimize it.

**NEED FOR CONNECTION**

in such an uncertain and isolating time we need community more than ever. Without typical school and activity schedules, we're all in need of the support of faithful and loving community.

**RESPONSES**

**HYBRID PLAN**

We will have a mixture small group and large group teaching-virtual and occasionally in person (as numbers improve)- with meaningful service and community building experiences as well.

**LIMITED SCREEN TIME**

Small Groups will connect weekly online with the intention (based on COVID numbers and safety) to give the option to meet indoors in Feb/March

**CONSISTENT TOUCH POINTS**

We will move to the large group/small group model for spring. Small Groups will meet weekly and a staff member will teach each grade level(s) weekly to make sure there is a touch point with a staff member as well).

**WORSHIP**

Attend worship online on a regular basis. **CHOOSE TO DO** 5 online worship notes **OR** serve in worship 3 times.

**LARGE GROUP TEACHING**

A weekly lesson will be taught by a Zumbro staff member or leader. Small group will follow)

**SMALL GROUP CHECK IN**

Small Groups will meet for approx. 30 minutes a week over Zoom or in person as COVID numbers and building space allows.

**SERVICE AND MISSION WORK**

Serve with one of our COVID mission opportunities 2X (For Example: OpenTable, pen pals, other small group experiences, etc)

**EXPECTATIONS**
